

Glove'n Care® Hand Cream

A Secret from the Dead Sea

**The #1 Selling Hand Cream
With Aloe & Vitamin E**

FEATURES

Water Based

Hypoallergenic

Formulated with ingredients from the mineral rich Dead Sea

Glove'n Care is Non-greasy application

OTHER BENEFITS

- Long lasting effect.
- Leaves hands feeling soft and silky smooth even after washing.

BENEFITS

Unlike a petroleum-based product, a water-based hand cream will not compromise glove integrity. Petroleum-based products will break down disposable and contaminate the operator.¹⁵

The combination of rich, essential minerals (sodium chloride, calcium chloride, sulfate, potassium and magnesium), mined from the Dead Sea, regulates and maintains the water content of skin cells.⁶

Is absorbed quickly into the skin.

- Moist, smooth texture.
- Lightly fragranced.

Glove'n Care hand cream is specifically formulated with ingredients mined from the mineral rich Dead Sea. The source of natural skin care secrets for over 2,000 years. These minerals have been combined with a special combination of oils to create a very ESSENTIAL skin care product.
